*Investors trust us.
Clients trust us*

01. ABOUT US

TOP INVESTMENT GROUP

TIG is a leading advisory firm in the field of foreign direct investment. Our team consists of specialists in corporate location and site selection, economic development, investment promotion and special economic zones.

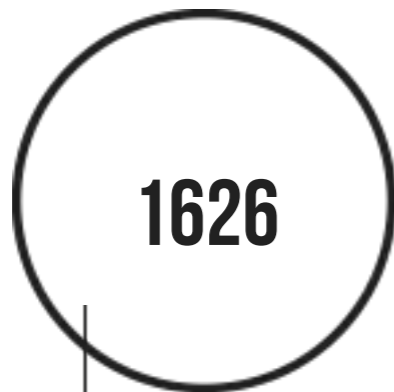

Our team members have worked with companies and governments in foreign direct investment related positions. This experience provides the basis for our practical and hands-on approach to assisting our clients.

Headquartered in Dubai, UAE, we work around the world and have experience in delivering investment attraction results in all major geographic regions.

02. OUR EXPERIENCE

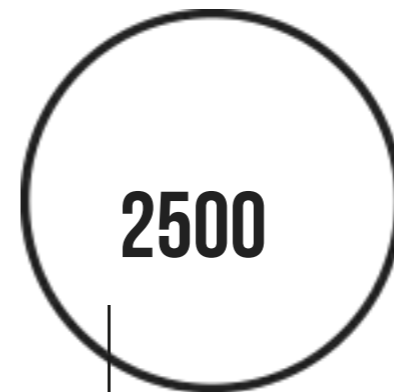

We have worked with governments, investment promotion and economic development agencies at all geographic levels (countries, states, regions and cities) from around the world on a range of TIG-related assignments.
